Date: \_\_\_\_\_

## Temperature Experiment

**Question:** Will black or white paper have a higher temperature (get hotter) under a lamp?

**Make a prediction:**

I think the \_\_\_\_\_ colored paper will have a higher temperature under the lamp.

**Record Data:**

Paper Color	Temperature Before	Temperature After
Black ■		
White □		

**What happened?**

1. Which color paper had a higher temperature?

---

---

2. Why do you think this happened?

---

---

---
